returned to school  
office

# 93%

School attendance

Well done to

Sea lions who had  
the highest attend-  
ance last week with  
98%

This term our British value is Rule of Law. The student council will be nominating pupils who have demonstrated this value over the next few weeks.

## Newsletter 25th September 2017

### Parent Forum

On Wednesday 27th September we will be holding our first parent forum of the school year. It is an informal meeting which will take place at 8:45am in the community building over a hot drink and a biscuit. This is your opportunity to ask questions, share ideas and meet other parents. This coming week we will be discussing communication between home and school. Hope to see you there.

This term's Christian Value is thankfulness. We are learning the story of Jesus healing the 10 lepers (Luke 17: 11-19).

### PTFA Meeting

28th September at 8:45am.  
New members very welcome!

### Cauliflower Christmas Cards

We are really excited to tell you that we are taking part in the Cauliflower Christmas Card Project this year. Each child will be designing a Christmas card this week. The original artwork will be sent home on Friday 29th September along with an order form. If you would like your child's artwork printed onto Christmas cards simply return the artwork and order form by Monday 9th October to the front office. All proceeds will go towards school funds.

### Food Packages

The academy are able to provide food packages for families facing hardship. Please see the school office if you would like support.

SHINE returns on 7th October here at Christ Church. Last few remaining spaces for pupils in Years 3-6. Application forms are available from the school office.

### Animal Agent Summer Reading Challenge

30 children from across the school took part in the summer reading challenge at the library. All those who brought in their certificate and medal were awarded an extra playtime and ice lolly.

### Head lice

We have already had a number of confirmed cases of head lice. This is an on going frustration for parents and requires every family to work together to keep this nuisance at bay. Please check your child's hair at least once a week. **If your child has been affected they will require treatment over several weeks. One off treatment is not enough due to the lifecycle of the head lice.** If a child is suspected of having head lice a text will be sent to the child's family. If they are still not treated then a letter will follow the next week with further guidance.

You can help prevent the spread of head lice by keeping your child's hair tied up neatly whilst at school. If you require further guidance please talk to your child's class teacher or Mrs Cook.

**Please note that absence from school due to head lice will not be authorised.**
