School attendance

Well done to

Sharks who had the
highest attendance
last week with 98%

This term our British value is Rule of Law. Prizes will be awarded this week for pupils who have demonstrated this value over the last term.

Newsletter 9th October 2017

Harvest Festival

The Harvest Festival service will take place at 9:30 on Wednesday 11th October at Holy Trinity Church. Each class will be leading a short part of the service and this year's worship leaders will be awarded their badges and officially welcomed into their role by the church.

Parents are warmly invited to attend. Please note that there will be no parent coffee morning this week to allow parents to attend the service.

Pupil Leadership

We are proud to announce that the Head Girl and Head Boy for 2017-2018 are Abbie Spain and Benjamin Carter. These two pupils have been excellent role models throughout their time at Christ Church and we are looking forward to watching them grow and develop in their new role. They will be assisted in their leadership by the Year 5 house captains. These pupils were elected by their peers after they gave well prepared and eloquent election speeches. Well done to Harley Gallagher, Gemma Currie, Kelisha Marsh, Kieran Bishop, Felix Robinson, Jaroslav Kozlowski, Madison White and Amber Rudkin.

Radnor Park

There is no denying that our community has really benefitted from the renovations made to Radnor Park this summer. Unfortunately there have been a number of incidents over the last few weeks involving some of our pupils. There have been reports that a few of our children have been intimidated by groups of teenagers and may be engaging in risk taking behaviour. We have made contact with Tara Liam (PCSO) who is going to work with us to help keep our children safe. We strongly recommend that you supervise your children closely when enjoying the new play equipment.

Tag Day and Cake Sale

Children in Year 5 wish to raise funds as part of their anti-bullying work. On Thursday 12th October children may wear their own attire and buy cakes to support this worthy endeavour.

Fun Day

On Friday 13th October every pupil will be taking part in a whole school Fun Day!

The children will have the opportunity to try a range of creative activities as they move around the school. We hope that this will be an enjoyable day to celebrate the end of a successful first term.

Baby on-board?

We seem to have lots of expectant mums on the playground this term.

With older children already at school, we know that it can be harder to access antenatal services than it was with baby number 1. We would like to invite mums and bums to the parent coffee morning on Wednesday 1st November. Let's get together to make new friends and support each other through bumps to babies.

Junk Modelling

Plastic bottles, cardboard boxes, egg boxes and similar recyclable items are needed for the Fun Day. Please send in donations to classes ready for Friday 13th October.

Parent Pay ICT Clinic

At the parent forum last week a group of parents offered to host a drop-in clinic for other parents who may be struggling to use the new system.

Over two-thirds of our parents have now signed up and are using the system successfully. If you are still having difficulties then please drop in and see if they can help.
