Wednesday 16th Parent Forum
1st Feb NSPCC Numbers Day

Newsletter 7th January 2019

Parent Forum:

Wednesday 23rd Jan

8:45-9:15

Everyone welcome! This term we will be talking about our participation in the Government Free Breakfast scheme

We are very proud of our fantastic choir and hand bell club!

Both clubs are in need of new members.

As a member your child will have the opportunity to take part in numerous events and trips throughout the school year.

See the club letter for

Family Learning Workshops

Following the success of the Christmas Craft workshop in December Kent Adult Education– Family Learning will be coming back this term with two more workshops:

Let's Talk About Bullying– A two hour session for parents and carers which takes place on Tuesday 15th January in the Community Building.

Fun With Food– This exciting workshop takes place every Monday for 6 weeks starting on 14th January from 3:30pm—4.30 pm in the Community Hall. It is for parents/ carers to attend with their children.

If you are interested in either or both workshops please contact the school office to book a place.

Confused about how Universal Credit affects you and your family?

Come to St Eanswythe Church on Wednesday 16th January at 8:45 for an informal talk with fellow parents.

Our main method of communication. Most letters and messages will be sent out this way. This means less lost, screwed-up, soggy letters at the bottom of book bags and less wasted paper. It's a win-win! Don't forget that this is also the method by which we take payment for uniform and school trips and it is how you book school dinners too. School dinners for the upcoming week need to be booked by the weekend including for those children who are entitled to free school meals.

Website and App

A great way to remind yourself of what is happening across the school as well as in individual classes. Term dates should always be taken from here and never from other websites which are not run by the school as they frequently cite incorrect dates.

Noticeboards

Really? Where? I hear you ask. It seems from the survey that many parents did not know that we have notice boards so here are some photos of their locations:

Anomaly

Our exciting new interactive communication system found on the screens in the front office and on the large free-standing screen on the main playground.

Other methods

Occasionally we also send home slips of paper or adverts via book bags. Text messages will also be used. To make life easier we will try to make sure that these additional methods are kept to a minimum to reduce confusion. In some classes teachers may choose to display notices and posters in class windows.
