

13th May 2019

Dear Parents/Carers

Even with the changeable weather last week, the children continued to excel in their learning and extra-curricular pursuits. The football team triumphed against Hythe Bay last Tuesday, winning the **Consolation Trophy** in a "nail biting" match, 1- 0.

Well done to a great Team and a great Coach. A fitting tribute!

Year 6 will undertake their end of key stage 2 tests (**SATs**) throughout the week. I am sure they will endeavour to achieve the highest possible outcomes. Good luck.

Reminder that this Friday is a **Fun Day** with a wide range of activities to excite and enthuse the children throughout the day. Please note it is also a **non-uniform** day.

All pupils are welcome to contribute to our **school newspaper**, including cartoons, quizzes and jokes. This is also an **opportunity for you to work alongside your child** at home in constructing an article or story that can be shared within our school community.

Final payments for the **Isle of Wight** school journey (for Year 6 pupils) is due at the end of the term on Friday, 24th May 2019.

As you know, **ParentPay** is the only way in which **school dinners** can be ordered. Any ordering of school dinners must be done the week before, so that sufficient amounts of school dinners are available each day.

Finally, on Thursday 23rd May we will be holding another **Well Being Day** for our pupils and staff. It is also a tag day, in which children can wear their own attire and make a 50p contribution towards the **Pilgrims Hospice**, the charity we are supporting this term.

Yours sincerely,

Jim Kreiselmeier
Head Teacher
