Dear Parents/Carers

As I write it appears that there may be some "easing" of the lockdown, although the implications for our academy in regards to school reopening remain unclear. Nevertheless, I hope that your child(ren) is **following a daily routine** which includes home learning, exercise and wellbeing activities - all of these being accessible on-line and sign posted by your child's teacher.

The staff and governors were delighted with the children's production of **What a Wonderful World** which can be viewed on our website [www.christchurchfolkestone.com](http://www.christchurchfolkestone.com). What a wonderful way of sharing hope and joy during this turbulent time. My deepest appreciation to the parents and children who took part in this masterpiece.

Unfortunately, there is an unavoidable delay processing **vouchers for FSM pupils**. As you may know, the company chosen by the government, Edenred, simply cannot cope with the sheer volume of orders. Hence their system is taking a long time to process, and at times due to the delay, having to restart the process even for existing orders. My apologies for any difficulties accessing this provision, please rest assured we are doing all we can here, but it is a national problem and beyond our control.

**VE day** is tomorrow, with celebrations taking place locally and digitally. The 75<sup>th</sup> anniversary of the victory/end of war in Europe is certainly a date to remember as the peace that has existed since on the continent is perhaps the most cherished outcome we enjoy today. At the very least it is a potent reminder to us that each day is a gift - that is why it is called the Present.

Take good care of yourself and one another.
