NEWS DESK

Issue 6.5 Friday 8th July 2022

Dear Families,

Wow! What an another busy week. It's a very exciting but tiring time of year. A huge thanks to our brilliant staff team who are working tirelessly to make all the amazing events and trips happen across the school. Thank you to all of you too for being so supportive. Giving our children amazing experiences beyond the curriculum is such an important thing.

The children had the opportunity to meet their new class teacher this week which they were very excited about. Why not pop along to our Open Afternoon on Monday from 2:30pm? You can have a look at your children's books, speak to staff and collect your child's end of year report.

Next Tuesday is a TAG day with a 50p recommended donation for our MAF Fun Day. Please support if you can 😊 Usual rules apply in regards to no jewellery and long hair tied back.

Arbor: PLEASE, PLEASE, PLEASE sign up as soon as possible. You will need this for September (not current Year 6 parents though!)

Finally, we are saying goodbye to Mr McGarrigle who has been with us for the past four years. Mr McGarrigle has been a fantastic Teaching Assistant and dedicated so much to the school and our children. We will miss you but thank you for everything – good luck in your new venture.

Have a lovely weekend!

Mr Flack

Free School Meals

Although children in Year R, 1 and 2 receive Universal Free School Meals, the school receives additional funding to spend on the children if you sign up for Free School Meals and are eligible.

Your child may be able to get Free School Meals if you get any of the following:

- Income Support
- Income-based Jobseeker's Allowance
- Income-related Employment and Support Allowance
- Support Under Part VI of the Immigration and Asylum Act 1999
- Child Tax Credit (provided you're not also entitled to Working Tax Credit and have an annual gross income of no more than £16,190).

You can apply here:

Thinking Question of the Week

How can we ask for and show forgiveness?

We're using Arbor's free Parent Portal and Arbor App

We've chosen Arbor to help us manage our school.

Arbor is a simple, smart and cloud-based MIS (Management Information System), which helps us work faster, smarter and more collaboratively as a school. The Arbor App and Parent Portal mean we can keep you informed about your child's life at school in a much more accessible way. Log into Arbor to see and update your child's information, get live updates and make payments or bookings on the go!

The Parent Portal works on Google Chrome (computer or laptop) and you can download the Arbor App from the App Store or Google Play Store on your phone (Android 5.0; iOS 10.0 and upwards).

How to get started

1. Wait for your welcome email from us telling you Arbor is ready - you won't be able to log in before
2. Click the link in your welcome email to set up your password
3. Go to the App or Google Play Store on your phone and search 'Arbor'
4. Click 'Install' on Android or 'Get' on iPhone then open the App
5. Enter your email, select the school, then enter your password
6. Accept the Terms & Conditions and enter your child's birthday

Need help using Arbor?

Contact the school office if you have questions about Arbor, the App or Parent Portal. Tell us the type and model of your phone, e.g. an iPhone SE, and include screenshots or screen recordings.

To safeguard student data in line with General Data Protection Regulations (GDPR), Arbor only works directly with schools.

Some tips to try:

1. Ensure your username is the email address you use for Arbor. Ask us to **check the email address** linked to your account.
2. **Reset your password** from the login page, or ask us to do this.
3. If the login email was sent to you more than 96 hours ago, the **password link will have expired**. Ask us to send it again.
4. Ask the school office to check that your email address has not been used twice - e.g. on another guardian or child's profile.
5. **Enter the birthday** of one of your children to log in.
6. Only relatives who are **Primary Guardians** of a child can access the Arbor App. Ask us to check you can access Arbor.
